24OCT16-It is the members of the fraudulent Congress who need to be arrested by the people.

Dear Mary...

Thank you for making your statement. But are we not forgetting an important point?

While Mr. Trump gets the lion’s share of the credit, in my book, it is still the responsibility of the people to fix the problems we have long ignored and endured.

Mr. Trump addressing the elements of the criminal impersonators.

It is the members of the fraudulent Congress who need to be arrested by the people. Mary, you are so right when you point to these abuses of which you speak. They can all be directly linked back to the members of Congress committing treason against America and the America people.

They have been doing this for years.

• The federal reserve act,
• the 14th Amendment,
• the NDAA,
• Obamacare...
• Obama recognized as president, and...
• even permitting the criminal mastermind Clinton on the ballot.

While Mr. Trump has raised the issue few others have been successful in gaining to this level of focus, it remains the responsibility of we the people…the same people who have been responsible for everything that has happened to America to date.

Let us finally admit and accept, as adults, that it is we who must clean up our own dirty work. We must recognize that from our first moment on this earth, the dark forces have been training us to be spectators. We have been trained throughout our entire lives to depend on others to do the work that in some cases...like this one, only we the people, can do this ourselves.
24OCT16-It is the members of the fraudulent Congress who need to be arrested by the people.

We have become so dependent on those within the system to “fix,” things, if it were solely up to us, we would all perish from the lack of knowledge to take care of ourselves...don’t you see what has been happening?

That it is we who must recognize that those we have so honored and elected to faithfully execute the duties of stewards and the guards of our liberty and safety, have failed us. And they have failed us even though we paid for these services, in advance and in good faith, through the creation of a sacred public trust.

And in return, these same people we the people honored, respected and trusted, have breached this public trust...and they have violated this sacred trust repeatedly. And they have done so with premeditation and malice with the criminal intent of personal gain a forethought.

And they have been blatantly abusing this trust while openly deceiving us and playing us for the fools we have acted...up to the moment.

Is this now the time we have reached our limit?

The people are the ultimate arbiters! The people are the ultimate authority! All forms of government were created by the people to serve the people. And it is the right of the people to abolish any government, for any reason, which fails to deliver the guarantee of a Republican form of government. Which guarantees to deliver...

Life, Liberty, and the Pursuit of Happiness.

“that whenever any Form of Government becomes destructive of these Ends, it is the Right of the People to alter or to abolish it, and to institute new Government, laying its Foundation on such Principles, and organizing its Powers in such Form, as to them shall seem most likely to effect their Safety and Happiness.”

• Are you happy?
• Do you feel safe?
• Do you feel your family is safe?

It is the members of the fraudulent Congress who need to be arrested by the people.

Then you are reminded to consider...

"But when a long Train of Abuses and Usurpations, pursuing invariably the same Object, evinces a Design to reduce them under absolute Despotism, it is their Right, it is their Duty, to throw off such Government, and to provide new Guards for their future Security."

Here is my statement:

Mr. Trump should sue George Soros as well for inciting riots in the street.
24OCT16-It is the members of the fraudulent Congress who need to be arrested by the people.

he is the force behind Black Lives Matter.

Who is this interloper to come into our country and try to rig elections.

He is already controlling some of the machines, who knows how many.

He should be part of the lawsuit for sure - he is the disaster. He's ruined economies and continues to be a poisonous force and a huge threat to our country.

Mr. Trump, all of us out here, we've been fighting for years against Obama, the Clintonistas and all the people who threaten our way of life and our liberty. You like to use the word "disaster" - they are a disaster. We've send out emails to each other, to the Republicans who we thought were on our side (and now we know better) for years. We've worked to support the people we put in office to defend us and our country -they betrayed us over and over again.

And you came along to be our champion. I pray to God, and so do others, that you can win this thing.

What is freedom worth to YOU? |

Mary, I’m emailing you today with a special request.

Would you make a contribution of $20.17 to build a safer, stronger and more prosperous America?

It may seem like a strange question, I know. But here’s what I’m getting at.

If every one of my father’s supporters made a one-time contribution of just $20.17, Hillary Clinton’s big-dollar fundraising advantage would be completely wiped away. We’d absolutely blow her numbers out of the water.

And why $20.17?
24OCT16-It is the members of the fraudulent Congress who need to be arrested by the people.

Because that’s the year we’re going to change our nation’s course, when my father takes the oath of office and gets to work to Make America Great Again!

So I’m making a list, and I’m going to share it with my father tomorrow.

It will include the name of every supporter who contributes today to help us finish strong and WIN in 17 days. I’d love to add you name to the list.

Please make a $20.17 special contribution – or more if you can – right now by following this secure link.

We’ve proven the power of grassroots fundraising – shattering records by winning over the American people. And right now, we have all of the momentum on the ground going our way.

But Crooked Hillary Clinton continues to raise huge sums from Wall Street banks and special interests, leftist elites like George Soros and Hollywood liberals. This is allowing her to outspend us big time on the airwaves.

Make a statement today – help us close the gap, with your $20.17 special contribution.

I’ll add your name to the list right away, and let my father know that you stepped up again during this critical final stretch.

Thank you,

Eric Trump
