An open directive to all members of the House of Representatives...

As one of the sovereign Americans, your attention is directed to the following matter:

**Impeach Judge Anna J. Brown**

We the People of the United States petition the U.S. House of Representatives to impeach Judge Anna J. Brown of the U.S. District Court for the District of Oregon for committing treason and for her participation in the insurrection against the Constitutional authority of the federal government pursuant to Article I Section 8 Clause 15, Article 3 Section 3 and Article 2 Section 4 of the U.S. Constitution, 18 U.S. § Code 2831 and 18 U.S. § Code 2383.

Whereas Judge Brown, at the direction of the FBI and other federal agencies, is unlawfully detaining, and has been for over eight months, prominent activists within the Citizens for Constitutional Freedom political movement for exercising their First Amendment protected rights. Among the political prisoners are Ammon and Ryan Bundy, who both provide C4CF with necessary influence. These prisoners have also been subjected to mistreatment by the FBI, U.S. Marshall Service and employees of the correctional facilities.

1. Whereas Judge Brown denied the Motion for mistrial after two of the government's witnesses introduced prejudicial information.

2. Whereas Judge Brown is consciously proceeding with falsified charges filed by the FBI against C4CF and refusing to grant motions to dismiss after relevant laws (60 stat 1065 & Article I Section 8 Clause 17) were presented to her by the defense.

3. Whereas Judge Brown is participating in a cover up of the suppression by the FBI (by way of COINTELPRO tactics) of the right to the free exercise of religion, freedom of speech, freedom of the press, peaceful assembly, and petition the Government for a redress of grievances.

4. Whereas Judge Brown has been/is conspiring with the prosecution and FBI by prohibiting the defense to admit relevant evidence and to sufficiently question the witnesses, and by sustaining objections never raised by the prosecution but rather herself.

5. Whereas Judge Brown has proven herself unfit to be a impartial Federal Judge; Consistent to the extreme bias expressed by her assistance given to the federal government and its usurpation of power and by covering up the inhumane treatment of political activists who are being illegally detained.
