Dear Congressman Rohrabacher,

As per instructions obtained from the government website, USA.gov, please submit the following information to the Ethics Committee (Committee on Standards of Official Conduct) for review and action as required by law. This information reveals what appears to be Ms. Pelosi’s questionable involvement in the 2008 presidential election process.

This information was also submitted to you in April 11, 2010, to your office in Huntington Beach, CA. as part of a more extensive submission. It appears you simply failed to act on the submission.
Now I have resubmitted the portion related to Ms. Pelosi’s questionable activity and followed the rules established by the government. As a consequence I expect this matter will now be given the attention it merits.

As a side note for your benefit, there was a recent new developments where an election official from Hawaii has stated he is willing to declare in open court there is no birth certificate for Mr. Obama and this is all common knowledge among the state officials in Hawaii. If this indeed is true there are a lot of questions any reasonable person should be asking. Especially people like yourself who have taken an oath to protect the constitution. I know I do not have to remind you of the seriousness of acts of perjury and fraud.

You can expect me to follow-through as necessary to successfully complete this process. Immediately passing this complaint through to the Ethics Committee will save us all a great deal of time and trouble.

Please send me confirmation upon completion. I will followup by July 20, 2010.

Many other civic minded citizens are also interested in the outcome of this submission. We will all be following the progress and the outcome closely. We would like assurances the Ethics Committee will deal with this ethically.

Thank you for your assistance in this matter,

Arnie Rosner

This complaint raises questions of election fraud in the 2008 presidential election. The details are presented below.

Examples, DCN1 and DCN2 are presented as evidence to support this complaint. These documents are part of the public record.

Barack Obama refused throughout the vetting process to produce proof that he was a “natural born” citizen as required by the Constitution. On Obama’s word alone, Nancy Pelosi caused documents to be signed and distributed to forty nine of the fifty States hiding the fact Obama was not eligible for nomination or election. Many others, including State DNC organizations, allowed the truth about Obama’s eligibility to be hidden from the electorate and the public. The charge of fraud is now clearly a conspiracy of fraud against the electorate, public and the United States of America.

TWO nomination documents were prepared. The second document [DNC2] included the “Constitutional” certification within the declaration:

THIS IS TO CERTIFY that at the National Convention of the Democrat Party of the United States of America, held in Denver, Colorado on August 25 through 28, 2008, the following were duly nominated as candidates of said Party for President and Vice President of the
United States respectively and that the following candidates for President and Vice President of the United States are legally qualified to serve under the provisions of the United States Constitution.

The first [DNC1] document expressly excluded the “Constitutional” certification from the declaration:

THIS IS TO CERTIFY that at the National Convention of the Democrat Party of the United States of America, held in Denver, Colorado on August 25 though 28, 2008, the following were duly nominated as candidates of said Party for President and Vice President of the United States respectively.

Nancy Pelosi, the DNC and local State DNC Chapters filed the “non-Constitutional” certification document with the Election Commissions in forty-nine of the fifty States.

The two separate Nomination Certifications are complete with date stamps, matching signatures, even the same Notary of Public authentication.

As a result of the “Constitutional” Nomination Certification not being filed with forty-nine States the Election Commissions within these States were defrauded as the truth about Obama’s vetting and eligibility was purposely withheld, therefore misrepresented.

The 50th State, Hawaii, is a mystery as to why the DNC submitted the Constitutional Certification. It is assumed the State of Hawaii demanded the wording be included in the Certification. However, by filing this Constitutional “version” with Hawaii and not the other 49 States it ADDS to the fraud, conspiracy and guilt. Why would the DNC even prepare (2) documents? The issue still remains, Obama is not a “natural born” citizen and the vetting of him by the DNC was misrepresented and fraudulent.

Not only is this fraud, it is a conspiracy because multiple parties were involved.
