Congressman Rohrabacher...

What the hell is wrong with you? Even the folks within the organization are telling us a truth you and your colleagues are deliberately ignoring. Sorry congressman...this ain’t a political question! Any nerd can tell that! So then...what does that make the members of congress? Does the term *complicit* sound familiar?

According to a well placed Homeland Security Administrator (who obviously needs to remain anonymous), "The plan is to incrementally remove all obstacles for immigration reform without a public debate." Within the Obama Administration, the source said, "Amnesty is a 100% done deal already."

The officers go on to list some examples of just what the political agenda from Washington is doing to destroy the ability of ICE to protect you and YOUR family’s security. Here is some of what these 7,000 ICE officers are claiming!

- **Senior ICE leadership dedicates more time to campaigning for immigration reforms aimed at large scale amnesty legislation, than advising the American public and Federal Lawmakers on the severity of the illegal immigration problem, and the need for more manpower and resources within ICE Office of Enforcement and Removal Operations (ERO) to address it. ICE ERO is currently overwhelmed by the massive criminal alien problem in the United States resulting in the large-scale release of criminals back into local communities.**

- **Criminal aliens incarcerated in local jails seek out ICE officers and volunteer for deportation to avoid prosecution, conviction and serving prison sentences. Criminal aliens openly brag to ICE officers that they are taking advantage of the broken immigration system and will be back in the United States within days to commit crimes, while United States citizens arrested for the same offenses serve prison sentences. State and local law enforcement, prosecutors and jails are equally overwhelmed by the criminal alien problem and lack the resources to prosecute and house the prisoners, resulting in the release of criminal aliens back into local communities before making contact with ICE. Thousand of other criminal aliens are released to ICE without being tried for their criminal charges. ICE senior leadership is aware the system is broken, yet refuses to alert Congress to the severity of the situation and request additional resources to provide better enforcement and support of local agencies.**

- **ICE is misleading the American public with regard to the effectiveness of criminal enforcement programs like the ICE “Secure Communities Program” using it as a selling point to move forward with amnesty related legislation. As officers in the field, we know this program will not improve enforcement or provide for public safety because ICE refuses, for political reasons, to request the additional manpower and resources needed to adequately operate the program.**

The honorable ICE officers of this country are trying their hardest to protect you, now it’s your turn to give them a hand! Protect yourself and your neighbors and America!

Criminals are using the corruption fostered by the Obama Administration policy to their benefit. They are illegally entering our country through the wide open unsecured border with Mexico and committing crimes in American towns and cities. They are so brazen because they know that even if they do get caught for committing a crime all they have to do is say they are an illegal alien and they get sent to ICE to be deported! NO trial! NO Justice! They just get sent back across the border. AND THEN THEY JUST RE-ENTER THE U.S. ILLEGALLY AGAIN!

The fact is, while the immigration system certainly has flaws, it is the leadership within ICE that is broken and corrupt! They are taking orders directly from the Obama Administration and the Pelosi led Democrat Congress -- and deliberately FAILING to enforce the laws. The ICE leadership knows exactly what’s going on and they are intentionally putting you and your family at risk!

They must enforce the laws we already have on the books, and when they do, the border will be secured and illegal alien criminals will be in jail or permanently deported. First things first, put more boots on the ground and give proper support to the local communities so they can detain illegal immigrant criminals. Then let ICE officers do their job and stop getting in the way! The vast majority of ICE officers aren’t even allowed to arrest illegal aliens when they find them! Take off the leash, and let our federal officers do their sworn duty!
