Joe...

Simple solution...

PSST! Use your treasury direct account...Per the fraudulent 14th Amendment, all debts are prepaid...

**Confirm your Treasury Direct Account for yourself...Review your Strawman Account items.**

14th Amendment – All debts are prepaid.

Immigration actuarial costs of 14th amendment citizen

A tool of the Fraudulent Pretender Government: “usufruct.” ALL DEBTS
ARE PREPAID!!!

But wait...the 14th Amendment was never legitimate...just like Obamacare...

Georgia, the Lawful State:
MEMORIAL TO CONGRESS — 14th and 15th AMENDMENTS DECLARED VOID

both promoted in fraud by the fraudulent Congress...you know Joe...the impostors...

545 – the impostors responsible.
Its Always been the members of Congress – By Their Fruit...

And also...

The Travis Allen Affair – District 72 – California
Confusion? Conflict...Better ask Travis...

Travis Allen Denounces CALIFORNIA IMPOSTORS
Revoke the delegated authority of the impostors
Rohrabacher Termination – Revocation of delegated authority

[Confidential - Do Not Forward]

Dear Arnie,

I wish I didn't have to write you this email.
I don't normally write this personal of an email. And I'm only writing to you and just a few more of my most loyal supporters.

But today I have nowhere else to turn.

My friend, I am in trouble.

By now I'm sure you know that President Trump stood up to the Obama-era lawyers who were hellbent to put me in prison -- and issued me a pardon. I will be forever grateful to the President for his stand for true justice.

But what you probably don't know is that in my long legal battles against the politically driven Obama administration - which was all about left-wing political payoffs to the Obama and Clinton radical base - I incurred hundreds of thousands of dollars in legal bills. Bills I'm still trying desperately to pay off.

As of today, I owe over $300,000 in legal bills.

Arnie, I'm not a rich man.

You see, I have spent my entire life fighting for what is right and the rule of law. I have fought against Mexican Drug Cartels who have threatened my life and my family. I have fought against the crooked Obama (In)Justice Department who was only interested in scoring
political points and not enforcing the law. I have fought against corrupt politicians and the dishonest fake-news media who doesn't have the first clue on how to secure our borders or protect our citizens.

Today, it feels like I'm fighting them all at the same time and more.

And while I will never give up the fight for justice and to protect American citizens...and I will never be silenced. . . I must first eliminate this massive legal debt forced on me by Obama and his "Justice" Department.

So before you read any further, I hope you will click on this link and make a personal gift - a sacrifice - to help me today.

As you know, I've spent my entire life making sacrifices to defend the country you and I love. Today I'm asking you - I'm pleading with you - will you make a sacrifice for me today?

One more thing I want you to know: I am totally innocent of the charges filed against me. I've always stood up for doing what is right no matter the consequences.

Because the sacrifices I made were worth it.

Sacrifices for:
• The single mother who couldn't protect her children from a rampant drug culture.
• The southern Arizona rancher who couldn't have fought on his own against illegals crossing his land.
• The grandmother whose grandson couldn't go to school without being confronted by drug pushers.
• The mother of a child who feared criminals that I fought to keep in jail but President Obama wanted set free
• The family who couldn't sleep at night with worry that their child will be kidnapped from the streets of Phoenix
• The small business owner who feared losing everything because of crime in the area.

My friend, as I wrote above... my sacrifices were worth it.

I have never written a more personal note for help before and I don't know that I ever will again. And I hope after reading my email you will decide to help me by going to this link and making the most generous and sacrificial gift you can.

I truly have nowhere else to turn.

Please send help if you can.

Very Sincerely Yours,
- Joe Arpaio
