I found that prosecutorial discretion precluded me from remedy. I had incontrovertible evidence in the judges own response and on the record in courts of record. I had two criminal investigators 1 metro cop and 1 Oregon DOJ investigator take the proof to two prosecutors in state of Oregon DOJ and they declined to prosecute. Then I reported high crimes to the AG/DOJ of US inc and he declined to prosecute.

therefore the only option I found was Pro Se as an American State national a man on Oregon and Ronald Charles Vrooman Private Attorney Generals by the United States Congress 42 U.S.C.1988 and 18 U.S.C.1510 and 18 U.S.C. 1512 and to be known as "One of the People" also "Qualified Criminal Investigator" and "Federal Witness" and by unrebutted affidavit. Status identified and unrebutted. As Plaintiff in federal court Portland Oregon.

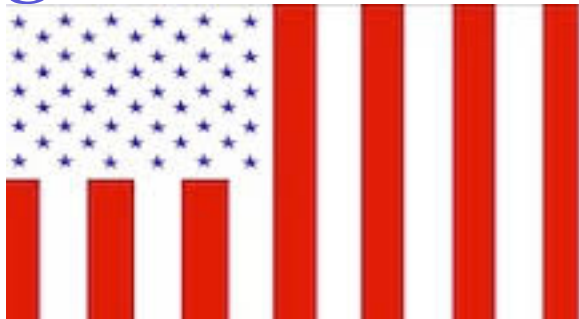

If any among you wish to prosecute as a PAG. I'll help

teach you how. And assist you with your paper work.
This is not for candy asses. It is hard and dangerous.
Strength and courage are required.
