SATANIC HUMANISTIC LOGIC HAS TAUGHT FOR A LONG TIME TO DEMORALIZE THE PEOPLE AND MAKE THEM APATHETIC TO THEIR FATE

10 humanistic reasons why politics is a waste of time

recent logic and negative thinking has taught us these so called truths because the SWAMP or power of the devil lets be honest through his agents on earth has been winning for such a long time or at least 60 years from the start of the sexual revolution.

1. **You don’t drain the swamp — the swamp drains you.** The system swallows everyone whole,

2. To get elected, you need support. To get support you need to make promises, which often will include statist actions.

3. **You need funding.** People only donate big money if they will see a financial benefit, which usually involves a government privilege.

4. Even small money makes you more susceptible to pressure, because it’s harder to say
“no” to someone who has given you money, even if they want a statist policy.

5. You have to get along with people: candidates, bureaucrats, civil organizations, unions, the media, voters, etc. That means **not rocking the boat**. Avoiding hard truths.

6. not being unpleasant. It’s hard to get the truth out this way. It’s like trying to put out a burning building with your hands tied behind your back.

8. **Every small compromise leads to a bigger compromise**, and so on, until you are fully coopted into the system. If you accept the premise that a little bit of statist action is okay as long as your end goal is the removal of a bigger statist action, you will never be able to see that you are being coopted. In your mind, you are fighting the good fight, but in reality you are merely doing the work of the state, with a fun, but hypocritical, marketing plan.

9. Look at the **opportunity cost of doing politics**. How effective is electoral politics, versus media or business? Lots of energy spent for meager results.

10. **If you lie down with dogs, you get up with fleas**. Politics is dirty and savage. The people in it are assholes. If you get into the game, you have to play hard to win. That means eventually you have to become as nasty and back-stabbing as your competitors. How can you avoid it? By buttering everyone’s bread and going along to get along, i.e. statism.

11. **Winning is losing**. If you win office, you take a salary funded by taxpayers. That is inherently unethical. If you forego the salary, you have to make it up otherwise. If someone funds you, then you are beholden to them, which usually means statism. If you are independently wealthy, then politics is an awful waste of your time. You’d be better
off buying professional politicians, than being one yourself. Focus on making more money and funding media and tech ventures to benefit the liberty movement.

12. Why hasn’t electoral politics tended to increased liberty, but only increased statism? What fundamental change will happen to reverse this trend? Politics is structured to produce an increase in state power. The simple act of being “in power” demands that one exercise power. If one’s only agenda is to refrain from using power, one will not have it for very long, as someone else will take it. **Seeking power to restrain power is a performative contradiction.**

These former truths have been the linchpins of the devils power and mind control for the Continued power of the deep state.

Unfortunately for the satanic media and THEIR the globalist masters people have been red pilled are waking up and beginning to DESPISE them.

Kimmel, Colbert, and Meyers are destroying late-night comedy as we know it.

The three liberal hacks have become obsessed with pushing their anti-Trump agenda, and
try to use comedy to force their liberal beliefs on us through shame and mockery.

Late-night comedy shows used to be light and fun, but now they’ve manifested into a non-stop reel of hate-filled political rants, and the ratings have suffered as a result. These people are pawns of the satanic NWO scum who run the globe.

**DECIMATE AND DECAPITATE**

Acting in the mode of a true “Machiavellian Master”—who employs cunning and duplicity in statecraft—President Trump, during the entirety of 2017, endured one of the most vicious and sustained assaults upon his legitimacy ever witnessed in US history—but who, while under this unrelenting assault, was able to create a “trap” for his elite leftist enemies—and that he sprung on them just weeks ago in the form of a once-in-a-generation new tax law—that, in essence and fact, declared war on his nations Blue States opposing him—and that these leftist elites described as “an assault on the cultural and economic foundation of liberal America”.

Trump’s leftist enemies rushed to the presses a salacious screed “fake news” book titled “Fire and Fury: Inside the Trump White House”—wherein its author, Michael Wolff, portrayed Trump, his entire family, and his White House as all being idiots—and that the elite leftist media establishment in America has been using non-stop to pummel Trump—but with none of them providing the American people with truth of whom this author really is—and who has been described as:
By longtime Slate and Politico reporter Jack Shafer: “Wolff exploits the human tendency to confuse frankness and cruelty with truth-telling. And by repeatedly reminding the reader of what a dishonest, scheming little shit he is, he seeks to infl...
ate his credibility. A real liar wouldn’t tell you that he’s a liar as Wolff does, would he?”

By longtime Atlantic Editor Michelle Cottle: “Much to the annoyance of Wolff’s critics, the scenes in his columns aren’t recreated so much as created—springing from Wolff’s imagination rather than from actual knowledge of events.

**IS STEVE BANNON A DOUBLE AGENT working for Trump OR A WILLING DUPE IN HIS OWN DESTRUCTION AND THE DUMBEST MAN IN AMERICA?**
As to how the elite leftist American mainstream media establishment has even allowed such a proven liar as Michael Wolff to be so prominently featured, provides the only proof one needs to see that their agenda is no longer reporting news and true facts to the people they serve—but has, instead, provided the proof that they have become nothing more than the propaganda arm of the “Deep State” that’s attempting to destroy President Trump—and is further evidenced by the shocking revelation that over 90% of their coverage about Trump has been negative.

THE SECRET WAR THAT TERRIFIES THE LEFT

Feared “Trump-Trap” Prepares To Spring Jeff Sessions and the war on cannabis.

THOSE IN THE KNOW have noted with astonishment the MSM barely mentioning that, on 3 January, Trump’s Deputy Attorney General Rod Rosenstein and FBI Director Chris Wray made an unannounced visit to see the powerful Republican Party Speaker of the House of Representatives Paul Ryan—and whose meeting was, also, attended by the former
top President Ronald Reagan administration US Justice Department official James Wootton.

How critical is James Wootton is to the “trap” being laid by President Trump for his elite leftist enemies to become next ensnared in he was a top US Department Justice official in the Reagan administration in the 1980’s, he was, also, the mentor to the US Attorney for the Southern District of Alabama—who is now Trump’s Attorney General Jeff Sessions—and that during the 1980’s, saw them work together to create numerous national programs including: the National Center for Missing and Exploited Children; FBI’s National Center for the Analysis of Violent Crime; National Court Appointed Special Advocates; National Child Safety Center; Child Safety Partnership; National Partnership to Prevent Drug and Alcohol Abuse and Serious Habitual Offender Comprehensive Action Program.

Former top US Justice Department official James Wootton is now one of the most feared men in America

In early February, 2016, when Trump met in New York City with Charles Cooper—the founding partner of the powerful Washington D.C. based law firm Cooper & Kirk—and
who many were advocating to become Trump’s Solicitor General—but whose main outcome of their meeting led to then US Senator Jeff Sessions stunning the political world by announcing that he was supporting Trump’s bid for the presidency.

Cooper & Kirk founding member Charles Cooper, aside from his becoming Attorney General Sessions’ personal attorney, and being a close personal friend of Trump, this report continues, has, also, overseen the litigation of Safe Streets Alliance—a highly secretive Washington, D.C. based anti-drug organization chaired by James Wootton—and who, in 2015, began the most feared attack in US history on the so called legal marijuana industry—with Cooper & Kirk attorney Brian Barnes vowing: “We’re putting a bounty on the heads of anyone doing business with the marijuana industry.”

Why is Trump supporting Jeffs sessions war on Cannabis. The answer is leverage

TRUMP IS A MAN OF HIS WORD when he says he wants to do something he does his best to make it happen :He often though seems to flip flop though along the way.
Look at what he did in 4 months think of what he had done up to Christmas with his tax plans the art of the deal is to get leverage and no matter what happens in Between make the outcome happen exactly as you wanted in the first place .
Shocking List Shows Everything Trump Has Accomplished In …

IS STEVE BANNON A DOUBLE AGENT FOR TRUMP: Is he secretly working to discredit Trumps enemies in the MSM media bringing in the worst people

JUST AS WE SUSPECT ROBERT MULLER DID so the enemy discredit themselves and TRUMP COMES OUT LOOKING LIKE A HERO

The Wolf book comes out just as trump announces awards for the 2017 best fake news(coincidence)? The book is now seen even by the MSM who heralded it at first as a pile of garbage written by a lying two faced dirtbag who even says in the book itself he doesn’t know if any of this is true or not. His source is now a discredited Steve Bannon a traitor who the left hated and still do. Bannon has bowed out and apologized leaving Trumps enemies with egg all over their faces.

Trump Slams Steve Bannon, Says He’s Lost His Mind – LIVE …
according to Info wars Bannon is working with the generals and Mike Pence who surround Trump to bring in the 25th amendment to get rid of him. Because Bannon has been a complete looser in all this either Bannon who has been such a monumental failure is a liability to this cause or he is a Trump plant to discredit and remove his enemies.

Is Trump this genius is he lucky is it within Gods plan or all of the above either way Trump is winning hands down

President Trump denies using vulgar language to describe African countries

In what can only be described by critics as a master stroke Trump denies accusations he made racist During the latest DACA meeting .

These remarks whether he did say them or not is a cause of celebration for his base his supporters love the language of calling places people know are actual shit hole countries SHIT-HOLE COUNTRIES. The whole argument about shit hole countries and immigration is now a global and worldwide discussion. Which previously was a taboo subject well done Mr President.

Donald J. Trump Verified account @realDonaldTrump
The language used by me at the DACA meeting was tough, but this was not the language used. What was really tough was the outlandish proposal made – a big setback for DACA!

His moralistic PC based enemies are discredited because even if the vulgar language its actually true all this globalist pedophile scum have is the so called moral high ground seen increasingly as complete hypocrisy.

Trump has called out the pink elephant in the room the Globalists with plans to flood the world with immigrants are furious.

TRUMPS LEVERAGE AND WAR ON CANNABIS POSSIBLY LEADING TO THE COMPLETE LEGALIZATION OF THIS DRUG.
Prohibitions of the RICO Act

- RICO makes it a crime for any person “who has received any income derived, directly or indirectly, from a pattern of racketeering activity or through collection of an unlawful debt ... to use or invest [in] any enterprise which is engaged in interstate or foreign commerce.”
- It makes it unlawful for any such person to participate, directly or indirectly, in the conduct of the enterprise’s affairs through a “pattern of racketeering.”
- It makes it a crime for any person “employed by or associated with any enterprise engaged in, or the activities of which affect, interstate or foreign commerce, to conduct or participate, directly or indirectly, in the conduct of such enterprise’s affairs through a pattern of racketeering activity or collection of unlawful debt.”
- Finally, the act prohibits conspiracies to violate any of these proscriptions.

To whom are the most vulnerable to be targeted by RICO organized crime laws for anything having to do with marijuana, is nearly every single elite leftist Blue State whose leaders have been trying to destroy to President Trump-

This is the largest leverage over this leftist scum in American history destroy cannabis tax laws destroy the leftist economies.

legalized marijuana in their States to boost their failing tax bases that Trump’s tax law “trap” has further endangered–and that two days ago, on 4 January, saw Attorney General Jeff Sessions siding with James Wootton and Cooper & Kirk by telling his US Attorneys throughout America that their hands were now untied when it came to their enforcing US federal marijuana laws.

In President Trump, through Attorney General Sessions, now firmly backing James Wootton and Cooper & Kirk in targeting his elite leftist Blue State enemies by destroying their marijuana tax base,
Thus allowing Trump to rightfully claim that he has nothing whatsoever to do with what is happening.

What President Trump and his Republican Party and intelligence allies are currently discussing this weekend at Camp David—as this new “trap” he has laid for these elite leftist Blue State enemies of his is, also, the largest bargaining chip ever possessed by an American leader against his opponents—and that Trump could very well cash in by agreeing to support a federal legalization of marijuana in exchange for whatever he wants (outlawing of Blue State sanctuary cites/Healthcare overhaul/Mexican border wall/etc.)—or, if no bargain
can be made, watch and do nothing as **Attorney General Sessions** unleashes his forces to support **James Wootton** and **Cooper & Kirk** while they demolish these **Blue States** once and for all.
TRUMP PLAYING 3D CHESS AGAINST HIS GLOBALIST PEDOPHILIC SOCIALIST MARXIST ENEMIES

THIS MAIN ATTACK MAY HAVE BEGAN IN EARNEST THIS YEAR BUT THE PLAN HAS BEEN IN THE WORKS FROM THE VERY BEGINNING.

The plan to the frustration of even Trump supporters has been secretive and portrayed him as weak on core issues all the while Trump has gotten at the moment arguably 60% of his agenda through. Yes its good to hold the presidents feet to the fire.

BUT REMEMBER THE PRESIDENT IS ONE OF US HE HATES THIS DISGUSTING SATANIC SCUM BUT HE ISN’T A DICTATOR AND IS CONSTRAINED BY LAW AND MUST MOVE CAREFULLY AND CRAFTILY.
