May I offer you a different perspective on the news you report...

Mr. Trump can not rein in the subversives and Communists embedded within — what is generally referred to as “government!” — without being labeled a tyrant or a dictator.

We the American sovereigns must face the fact that we have a bunch of private corporations, formed unlawfully without our knowledge or consent and masquerading as our government.

So the way we deal with this apparent treachery and treason, the people must step forward, put their fears aside and identify the criminals posing as members of Congress as “impostors.” Then as the people — we need to call for their arrest and prosecution.

For starters we know who they are...and so do the members of the Congress...

More details....

The Corporate Congressman – only a partial list.

Corporate Agencies – An other stuff of interest!

The people know what is stated here is true!!!

Attention Californians – 31 Grievances – and still counting! – NEW CALIFORNIA

Trump has given global notice and so has empowered the people of America to do what needs to be done.

*****GLOBAL NOTICE*** Highest Administrative Authority in America**

Recognizes “We the People,” are Sovereign!

From the beginning everything has been a lie. All we have come to believe up to this point in each of our lives has been orchestrated in fraud and deception. America has been invaded and infiltrated.

The American people have been manipulated, defrauded and are the victims of treason.

IT IS THIS SIMPLE!

Its at the other hand we need to look!

chuckolb: All the World is a Stage ... How true...But usually a legitimate theater is entered with full knowledge and consent.

The people are the only ones lawfully empowered. The people who wish this matter fixed shall demand law and order be enforced... **Constitutional law and order.** Strike down all of the fake lies by fake agencies and fake agents.

Congress can't investigate...Congress is the deep state!!!

The THEATRICAL CALLED government

Demonstrated abuse of delegated authority

Mr. Jordan-Deeds...not more words

Americans or subversives – There is no “left!”
